Southwestern Pre-Law Society
Externship Program

*"Tell me and I'll forget; show me and I may remember; involve me and I'll understand."
— Chinese Proverb*

For Alumni

Want to *tell* someone who's sincerely interested about your success?

Want to *show* someone what you do?

Want to be *involved* in the making of someone's future?

**Want to return to Southwestern,
but this time as the *teacher*?**

Perspectives Pre-Law Externship program links students interested in pursuing law with Southwestern Alumni who are already working on their legal career goals. Become a mentor for a day and show a current SU student the reality of practicing law.

As a part of the *Perspectives* program:

- Meet with a current Southwestern student who lives in your area for half of a work day, on a date and time that works best for you.
- Show an interested Pre-Law student what it is you do every. Answer their questions and give them the guidance that helped you the most.
- Give a prospective law student an inside perspective – one that will shape they way they look at their future.

*“Planning is bringing the future into the present
so that you can do something about it now.”
—Alan Lakein*
